Announced with team during competitions - Logo on robot - Logo and
link to business on our website - Large logo on team shirt - Business
card size logo on team banner - Thank You letter - Window Graphics

>\$5,000

Bionic Panthers About Us:

We are the Bionic Panthers, a Robotics TEAM from Liberty Hill High School. We compete in the BEST Robotics Competition during the fall and the FIRST Robotics Competition in the spring. We are rapidly growing and inspiring interest in the STEM field. On top of competing year round, we participate in community outreach by involving ourselves in tailgates at football games, primary school showcase events, and a summer camp, as well as a Winter Parade Float we plan to do in the future.
